

A wide-angle photograph of a snowy mountain landscape. In the background, a large, rugged mountain peak is covered in snow and partially shrouded in mist. The middle ground shows a wide, snow-covered slope with a ski lift system visible. In the foreground, a large crowd of people, including many children, are gathered on the snow. Some children are playing with sleds, while others are walking or standing. The sky is a clear, bright blue.

OUKAIMEDEN TOUR

An exclusive immersion of 0 days in the heart of Morocco

TRIP OVERVIEW & INCLUSIONS

Located just 74 km from Marrakech, Oukaïmeden is the first ski resort in Morocco and in Africa. Oukaïmeden is a favorite destination for skiers and enthusiasts of mountain skiing and snowboarding. This excursion offers a wonderful opportunity to admire the breathtaking landscapes of the Atlas Mountains and to discover the authenticity of Berber villages and the lifestyle of the local inhabitants, who are renowned for their hospitality and generosity. Upon your arrival at the ski resort, you will have half a day of free time during which you can rent skis or snowboards and use the chairlift or ski lifts to reach the summit of the resort and begin your adventure on its magnificent slopes. If you would like, I can also rewrite it in a more polished and promotional style suitable for a travel brochure or corporate incentive program.
